

Altima Dental Canada Certified as a Great Place to Work®

For immediate release – November 3, 2020

Altima Dental Canada is proud to announce that we have been certified as a Great Place to Work® after a thorough and independent analysis conducted by Great Place to Work® Institute Canada. This certification is based on direct feedback from employees, provided as part of an extensive and anonymous survey about the workplace experience.

At Altima, we have provided our patients with the highest quality of care and we aim for the same excellence within our company culture. Between the Annual Gala that brings in people from across the country, to individual recognition and awards, we have always tried to make sure our team members' hard work does not go unnoticed, and that we have plenty of opportunities to get together outside of the workplace.

“We are extremely proud as an organization to receive this award recognizing Altima Dental as a Great Place to Work®,” said Dr. George Christodoulou, Co-CEO of Altima. “We have always put an emphasis on team development, fostering a collaborative work environment, and of course having a little fun along the way,” he continued.

“Our company has gone through a lot of organizational growth in recent years and we are really happy that we have been able to maintain a great company culture along the way”, added Dr. Sven Grail, Co-CEO of Altima. “

About Great Place to Work®:

Great Place to Work® (www.greatplacetowork.ca) is the global authority on high-trust, high-performance workplace cultures. Through proprietary assessment tools, advisory services, and certification programs, Great Place to Work® recognizes the Best Workplaces™ across the world in a series of national lists including those published by Fortune magazine (USA) and The Globe & Mail (Canada). Great Place to Work® provides the benchmarks, framework, and expertise needed to create, sustain, and recognize outstanding workplace cultures.
