For Release: [September 14, 2021]

Altima Dental Canada is proud to announce that our organization has been named on the 2021 list of Best Workplaces™ in Healthcare.

Altima received this honour after a thorough and independent analysis conducted by Great Place to Work®.

The list is based on direct feedback from employees of the hundreds of organizations that were surveyed by Great Place to Work®. The data has a 90% confidence and a plus or minus 5% margin of error.

To be eligible for this list, organizations must be Great Place to Work- Certified™ in the past year and work primarily in the Healthcare Sector. We ranked the best based on employee responses to our Trust Index survey.

Altima Dental Canada takes great pride in our commitment to fostering a positive, empowering workplace culture. By placing an emphasis on things like social impact, work-life balance, diversity, inclusion, and belonging, we are able to create a workplace environment that helps our team create meaningful connections and be the best they can be.
